

In the Specification

Please amend the title of the application to state as follows: ~~FEEDER WITH DEFORMABLE SPOUT~~

FEEDER PROVIDED WITH A DEFORMABLE SOCKET

### Basis for the Amendment to the Title

The applicant has amended the title to conform it to the title shown in the WO document, WO 2005/095020 A3, the first page of which is attached with this application. The applicant asserts that this title more accurately describes the invention. The amendment to the title is made without adding any new subject matter.
